## DIRECTORS' REPORT

Dear Shareholders,

Your Directors hereby present the Thirteenth Annual Report on the operations of the Institute together with the Audited Statement of Accounts for the year ended March 31, 2020.

### 1. FINANCIAL PERFORMANCE:

(Rs. In Lakhs.)

	For the year ended March 31, 2020	For the year ended March 31, 2019
Authorised capital	5.00	5.00
Issued and subscribed capital	5.00	5.00
Total Income	119.61	12.41
Total expenditure (including Depreciation)	124.57	34.33
Deficit for the year	<b>(4.96)</b>	<b>(21.92)</b>

### 2. STATE OF COMPANY'S AFFAIRS

In the financial year 2019-20 under the education programme, NICR offered eight Commodity Certification Courses in different formats and two languages viz., English and Hindi. Commodity Traders Certification Course, designed especially for broking fraternity, remained one of the most preferred courses in commodity derivatives segment across the market participants. These courses are available in digital form with an online test assessment partner. NICR also launched Option Certification course in two modules, Basic and Intermediate and made them available through NICR website in digital form.

NICR approached several educational institutes in Delhi & NCR, Uttar Pradesh and Maharashtra and successfully enrolled candidates. Further, NICR hosted awareness programmes for college students on commodity derivatives and price risk management. NICR prepared course content for Commodity Market Module course offered by NSE Academy Limited (NAL) and offered courses in partnership with Kredent Infoedge Pvt.Ltd, a Kolkata based online educational firm. NICR provided training/faculty support to institutions of NABARD such as National Bank Staff College, Bankers Institute of Rural Development & NABKISAN and also to Directorate of Marketing and Inspection (DMI) in various training programmes organised by them for their employees as well as farmers/FPOs. Over 1500 candidates were registered in various courses during 2019-20. However, a major hurdle in getting candidates registered to these courses was faced in late 2019 when SEBI mandated the NISM certificate for the registered traders of the broking community in December 2019. After this, a steep downfall was witnessed in the registration for these courses.

In order to promote financial literacy and awareness about commodity derivatives and fundamentals affecting demand and supply of commodities, NICR produced research reports covering various commodities. These reports are generated on different frequencies viz., monthly commodity report covering exhaustive fundamentals of various exchange-traded commodities; fortnightly reports covering fundamentals of specific commodities over the fortnight; monsoon report on a weekly basis during the monsoon season; and daily commodity performance report providing a glimpse of performances of not only commodities traded on the National Commodity & Derivatives Exchange Limited (NCDEX) but also of liquid commodities on other exchanges and equity indices as well.

These reports are shared not only with the internal stakeholders but also with the industry, the relevant government departments and other influencers in the ecosystem. These reports are being appreciated by the industry.

During FY 2019-20, NICR bagged three consultancy projects viz., a project from GIZ (Deutsche Gesellschaft für Internationale Zusammenarbeit) GmbH, a German development agency, provided NICR to develop a Guidebook for FPOs to participate in Commodity Derivative Market; an assignment from NABARD to publish a booklet on success stories of FPOs participating in commodity derivatives market, and an assignment from Deloitte Touche Tohmatsu India LLP for a WORLD Bank funded project with Assam State Agricultural Marketing Board (“Client”) to provide technical advisory services on development of e-market place in Assam.

NICR will continue to build on the reputation of the NCDEX as a parent organization, provide research reports to market and thrive to access consultancy and research projects on commodities ecosystem. To prepare the next generation of young informed decision makers, NICR will continue its focus on education on price risk management in partnership with reputed educational institutions across the country.

### **3. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO**

The Institute undertakes suitable measures for conservation and optimum utilization of energy. The Institute makes use of technology in its operations and continuously strives to improve the same.

During the year under review, the Company did not have any foreign exchange inflow and outflow.

### **4. PUBLIC DEPOSITS**

The Institute has not accepted any public deposits and as such no amount towards repayment of principal or payment of interest was outstanding as on March 31, 2020.

## 5. DETAILS OF MEETINGS OF SHAREHOLDERS

The Twelfth Annual General Meeting of the Institute was held on June 26, 2019. It is proposed to hold the Thirteenth General Meeting of the Institute on September 7, 2020 at Mumbai.

## 6. BOARD MEETINGS HELD DURING THE FINANCIAL YEAR 2019-20

During the financial year 2019-20 four meetings of the Board were held on May 16, 2019, August 2, 2019, November 4, 2019 and February 3, 2020. The composition and attendance of the Directors is given below:

Name of the Director	Number of meetings held during the relevant period	Number of meetings attended
Mr. Sanjay Kaul	4	4
Mr. Vijay Kumar V.	4	4
Mr. Atul Roongta	4	4

## 7. EXTRACT OF THE ANNUAL RETURN

The extract of annual return in Form MGT 9 as required under Section 92(3) of the Companies Act, 2013 and Rule 12 of the Companies (Management and Administration) Rules, 2014 is available on the website of the Company at the link: <https://www.nicrinida.com>

## 8. PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES UNDER SECTION 188 (1) OF COMPANIES ACT, 2013

All the transactions with related parties are in the ordinary course of business and on an arms' length basis. There are no material contracts or arrangements or transactions on arms' length basis. The details of the related party transactions as required under the Ind AS-24 are set out in Note no. 17 to the Financial Statements.

## 9. INTERNAL FINANCIAL CONTROLS

The internal financial controls with reference to the Financial Statements are considered to be adequate.

## 10. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS UNDER SECTION 186 OF COMPANIES ACT, 2013

No loan or guarantee was given to any person during the year. No investments were made by the Institute during the year under section 186 of the Companies Act, 2013.

## **11. PARTICULARS OF EMPLOYEES REQUIRED UNDER THE COMPANIES (APPOINTMENT AND REMUNERATION OF MANAGERIAL PERSONNEL), RULES, 2014**

During the year, there were no employees drawing salary in excess of the limits prescribed under Rule 5(3) of The Companies (Appointment and Remuneration of Managerial Personnel), Rules, 2014.

## **12. DIRECTORS:**

The Directors of the Institute include Mr. Vijay Kumar V., Managing Director & CEO of NCDEX, Mr. Sanjay Kaul, Chairman, National Collateral Management Services Limited, Mr. Atul Roongta, Chief Financial Officer of NCDEX. During the financial year under review, Mr. Ramachandra Kaundinya Vinnakota, Management Consultant was appointed as an Additional Director on the Board of the Institute with effect from February 03, 2020.

Mr. Vijay Kumar V. & Mr. Atul Roongta were appointed as Director of the Institute at the 11<sup>th</sup> Annual General Meeting on September 26, 2018. Since, their duration is longest on the Board of the Institute, they are liable to retire by rotation. Pursuant to clause (d) of sub-section (6) of Section 152 of the Companies Act, 2013, the directors to retire by rotation at every annual general meeting shall be those who have been longest in office since their last appointment, but as between persons who became directors on the same day, those who are to retire shall, in default of and subject to any agreement among themselves, be determined by lot.

In view of the aforementioned provision, the name of the Director liable to retire by rotation would be determined by lot amongst Mr. Vijay Kumar V. and Mr. Atul Roongta, who being eligible, offers themselves for reappointment. The Directors recommend Mr. Vijay Kumar V. & Mr. Atul Roongta to be appointed as a Director of the Institute by lot.

## **13. STATURORY AUDITORS:**

At the Eleventh Annual General Meeting of the Institute held on September 26, 2018, M/s. Lodha & Co., Chartered Accountants, were appointed as the Statutory Auditors of the Institute for a period of 5 (Five) consecutive financial years from the conclusion of the Eleventh Annual General Meeting of the Institute until the conclusion of the Sixteenth Annual General Meeting of the Institute.

As required under the provisions of section 139 (1) of the Companies Act, 2013, the Institute has received a Certificate from the Auditors to the effect that their appointment is within the prescribed limit under Section 141 of the Companies Act, 2013 and that they are not disqualified for such appointment. There is

no qualification, reservation or adverse remarks or disclaimer in the report given by M/s. Lodha & Co., on the financial statements of the Institute for the year ended March 31, 2020.

The Auditors have not observed any frauds in the course of the performance of his duties as auditor. This is reported in compliance with the provisions under sub-section (12) of section 143.

#### **14. DIRECTORS' RESPONSIBILITY STATEMENT:**

Pursuant to the requirement under Section 134 of the Act with respect to Directors' Responsibility Statement, it is hereby confirmed:

- i. that in the preparation of accounts for the financial year ended March 31, 2020, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- ii. that the directors had selected such accounting policies and applied them consistently and made judgment and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Institute at the end of the financial year and of the loss of the Institute for that period;
- iii. that the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Institute and for preventing and detecting fraud and other irregularities;
- iv. that the Directors have prepared the accounts for the financial year ended March 31, 2020 on a 'going concern' basis.
- v. that the directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

#### **15. SECRETARIAL STANDARDS**

The Company complies with all applicable Secretarial Standards.

#### **16. DETAILS OF SUBSIDIARY, JOINT VENTURE OR ASSOCIATES**

The Company does not have any Subsidiary, Joint Venture or Associate Company.

#### **17. OTHER DISCLOSURES**

There was no change in the nature of the business of the Institute during the financial year 2019-20. No material changes and commitments affecting the financial position occurred subsequent to the close of

the financial year ended March 31, 2020 and the date of the report. During the year, no significant and material order was passed by the regulators or courts or tribunals impacting the going concern status and the Institute operations in future. The Institute during the course of its operations, identifies risk and takes suitable measures for their mitigation.

#### **18. ACKNOWLEDGEMENTS:**

The Directors express their sincere thanks to academic institutions and knowledge partners for their support. The Directors are also grateful to NCDEX for its cooperation and support. The Directors further express their appreciation for the outstanding professionalism and commitment exhibited by the consultants.

## INDEPENDENT AUDITORS' REPORT

**TO,  
THE MEMBERS OF  
NCDEX INSTITUTE OF COMMODITY MARKET & RESEARCH**

### **Report on the Audit of the Ind AS Financial Statements**

#### **Opinion**

We have audited the accompanying Ind AS financial statements of **NCDEX INSTITUTE OF COMMODITY MARKET & RESEARCH**, which comprise the Balance Sheet as at 31st March, 2020, the Statement of Income and Expenditure (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2020 and its deficit, total comprehensive income, change in equity and cash flows for the year ended on that date.

#### **Basis of opinion**

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### **Material Uncertainty Related to Going Concern**

We draw attention to Note 24 in the financial statements, which indicates that the Company incurred a net loss of Rs. 4.98 lakhs during the year ended March 31, 2020 and the accumulated losses as on that date is Rs.199.75 lakhs. As matters and conditions stated in aforesaid note indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, the financial statements have been prepared by the management on the assumption

of a going concern in view of the Company's ability to continue in its operation for a foreseeable future with the continued support from NCDEX, the Holding Company.  
Our opinion is not modified in respect of this matter.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility as to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to state that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, change in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process

### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

1. As the Company is registered under Section 8 of the Act, the clauses under the Companies (Auditor's Report) Order, 2016 are not applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Income and Expenditure including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g) With respect to the other matters to be included in Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

During the year, the Company has not paid any remuneration to its directors.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - a. The Company does not have any pending litigations which would impact its financial position- Refer Note 19 to the financial statements;

- b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

## “Annexure A” to the Independent Auditor’s Report

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of **NCDEX INSTITUTE OF COMMODITY MARKET & RESEARCH** (“the Company”) as of March 31, 2020 in conjunction with our audit of Ind AS financial statements of the Company for the year ended March 31, 2020.

#### Management’s Responsibility for Internal Financial Controls

2. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors’ Responsibility

3. Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

## **Meaning of Internal Financial Controls over Financial Reporting**

6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

## **Inherent Limitations of Internal Financial Controls over Financial Reporting**

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

## Background and Significant Accounting Policies

### Background

NCDEX Institute of Commodity Markets and Research is an institute promoted by National Commodity & Derivates Exchange Limited (NCDEX) and incorporated under section 25 of the Companies Act, 1956 ( Now section 8 of Companies Act, 2013) on September 18, 2007. The main object of the Institute is to operate as a charitable statistical research institute to promote knowledge and research relating to commodity markets, associated derivatives and disseminate information for the benefit of the participants in markets for products, goods, commodities, currency bonds, fixed income, intangibles, indices etc.

The Institute has been registered as a Company under the provisions of the Companies Act, 1956 and by virtue of the license granted to the institute by the Central Government under Section 25 of the Act (Now section 8 of Companies Act 2013), the word "LIMITED" is not required to be suffixed in its name.

The financial statements were authorised for issuance by the Company's Board of Directors on May 29, 2020.

### 1 Significant accounting policies :

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### a) Statement of compliance

The financial statements as at and for the year ended March 31, 2020 and March 31, 2019 have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under section 133 of the Companies act 2013 read with Companies (Indian Accounting Standards) Rules, 2015 and Companies (India Accounting Standards) Amendment Rules, 2016 and other relevant provision of the act to the extent applicable.

#### b) Basis of preparation

These financial statements have been prepared in accordance with the historical cost basis, except as disclosed in the accounting policies below, on accrual basis and are drawn up in accordance with the provisions of the Companies Act, 2013 (the Act) and Indian Accounting Standards ("Ind AS") notified under Section 133 of Act read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015, amendment to the Rules and other relevant provisions of the Act.

##### (i) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets that is measured at fair value,

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability which market participants would take into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis and measurements that have some similarities to fair value but are not fair value, such as value in use in Ind AS 36, Impairment of Assets.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

#### c) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of allowances, incentives, taxes and amounts collected on behalf of third parties.

The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

The sources of revenue are:

##### (i) Course fees

Course fees are accrued and recognized as revenue in the year of enrollment.

##### (ii) Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable. Interest income is included under the head "other income" in the statement of income and expenditure.

##### (iii) Agency Charges for NCSML CSR Projects

Agency Charges for NCSML CSR Projects is recognized @ 10% of actual expenditure incurred for conducting CSR Programs.

##### (iv) Whether Report : Whether Report are accrued and recognized as revenue at point in time when customer opt for.

##### (v) Research income is recognised on accrual basis.

**d) Income Taxes**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. Deferred tax liabilities are recognized for all taxable temporary differences.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset deferred tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in statement of income and expenditure, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

Minimum alternate tax (MAT) paid in a year is charged to the statement of income and expenditure as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note issued by the Institute of Chartered Accountant of India (ICAI), on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of income and expenditure and shown as "MAT Credit Entitlement". The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

**e) Impairment of assets**

Intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). An impairment loss is recognized as an expense immediately, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease. Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset in prior years. A reversal of an impairment loss is recognized as income immediately, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase. Non financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

**f) Cash Flow Statements & Cash and cash equivalents**

Cash flows are reported using the indirect method, whereby surplus / (deficit) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**Restricted cash:**

Other bank balances comprise of Fixed deposits with maturity of more than three months and less than twelve months, other non current financial assets contains Fixed deposits with maturity of more than one year.

**g) Trade receivables**

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment.

**h) Investments and other financial assets**

**(i) Recognition**

All financial assets are recognized and de-recognized on a trade date basis where the purchase or sale of an investment is under a contract whose terms require delivery of the investment within the timeframe established by the market concerned.

**(ii) Classification**

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in statement of income and expenditure or other comprehensive income. For investment in debt instruments, this will depend on business model in which the investment is held. The Company reclassifies debt investments when and only when its business model for managing those assets changes.

**(iii) Measurement**

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in statement of income and expenditure.

**Debt instruments**

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the group classifies its debt instruments:

• **Amortized cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in statement of income and expenditure when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

• **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in statement of income and expenditure. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to statement of income and expenditure and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

• **Fair value through profit or loss:** Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss.

**(iv) Impairment of financial assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

**(v) De-recognition of financial assets**

A financial asset is de-recognized only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized. Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognized.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

**(vi) Income recognition**

**Interest income**

Interest income from debt instruments is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial assets to the gross carrying amount of financial assets. When calculating the effective interest rates, the Company estimates the expected cash flows by considering all the contractual term of the financial instruments but does not consider expected credit losses.

**Dividends**

Dividends are recognized in the statement of income and expenditure only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be reliably measured.

**i) Financial liabilities**

**(i) Classification as debt or equity**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

**(ii) Initial recognition and measurement**

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit or loss.

**(iii) Subsequent measurement**

Financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the statement of income and expenditure.

**(iv) Derecognition**

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

**j) Property, plant and equipment (including CWIP)**

All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to statement of income and expenditure during the reporting period in which they are incurred.

- (i) Depreciation is provided on the "straight line method" based on the estimated useful life of assets which are either equal to or are lower than those suggested in Part C of schedule II of the Act. Depreciation on additions is provided on pro-rata basis from the date of acquisition/ upto the date of deletion.

Assets	Useful Life of Asset
Computer hardware	5 years
Furniture & Fixtures	10 years

(ii) Intangible Assets:

Intangible assets comprising of "Software" are recorded at acquisition cost and are amortized over the estimated useful life on straight line basis. Depreciation on additions is provided on pro-rata basis from the date of acquisition/ upto the date of deletion.

Assets	Estimated Useful Life of Asset
Software	5 years

k) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

l) Provisions

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation to be settled at future date. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

m) Contingent Liabilities and Contingent Assets

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are not recognized in the financial statements. However if the inflow of economic benefits is probable, then it is disclosed in the financial statements.

n) Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

o) Foreign currency translation and transactions

(i) Functional and presentation currency

Items included in the financial statement of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian currency (INR), which is the Company's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in statement of income and expenditure.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. For example, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognised in statement of income and expenditure as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognised in other comprehensive income.

**p) Leases**

**As a lessee**

Leases of property, plant and equipment, where the terms of the lease has substantially transferred all the risks and rewards of ownership to the Company are classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the statement of income and expenditure over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to statement of income and expenditure on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

Effective April 01, 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 01, 2019.

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the company assesses whether:

- (1) the contract involves the use of an identified asset
- (2) the group has substantially all of the economic benefits from use of the asset through the period of the lease and
- (3) the group has the right to direct the use of the asset.

At the date of commencement of the lease, for leases with a term of twelve months or less (short-term leases) and low value leases, the company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. the company

There are no contracts which contain a lease as defined in Ind AS 116.

**q) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

**r) Contributed Equity**

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

**s) Dividends**

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the Company, on or before the end of the reporting period but not distributed at the end of the reporting period.

**t) Current versus Non-current classification and operating cycle**

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle i.e. 12 months
- Held primarily for purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle i.e. 12 months.
- It is held primarily for purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- All other liabilities are classified as non-current.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

**NCDEX Institute Of Commodity Markets And Research**  
**Notes to the financial statements for the year ended March 31, 2020**

**u) Rounding of Amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakhs as per the requirement of Schedule III, unless otherwise stated.

**v) Critical Accounting Estimates And Judgements**

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements are:

Estimation of useful life of property, plant and equipment and intangible asset

Estimation of current tax expense and payable Note 14

Estimation of contingent liabilities refer Note 19

Estimation of Impairment of Assets

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

18 In accordance with Ind AS - 33 "Earning per Share" notified under section 133 of the Companies Act 2013 read with relevant rules issued thereunder, the required disclosure is given below.

**Earning per share**

Particulars	For the year ended March 31,2020	For the year ended March 31,2019
Net deficit attributable to Equity Shareholders (Rs.)	(4.96)	(21.92)
Weighted Average number of equity shares	50,000	50,000
Basic earnings per share of Rs. 10/- each (in Rs.)	(9.92)	(43.84)

The Company does not have any outstanding dilutive potential equity shares. Consequently, the basic and diluted earning per share of the Company remain the same.

19 **Contingent liabilities and Commitments including capital commitments :**

The Company was granted registration under section 12AA of the Income Tax Act , 1961 (Act) with effect from 1.4.2008 for income tax exemption. The Director of Income Tax (Exemption) vide its Order dated 16.12.2011 cancelled the said registration on the ground that the activities of the Company were in relation to trade or business and not for charitable purpose since the gross receipts had exceeded the prescribed limit of Rs. 10 lakhs during the financial year 2008-09. Accordingly, the assessment for the financial year 2008-09 was completed disallowing the Company's claim of exemption under Sections 11 and 12 of the Act. ITAT vide its Order dated 28-02-2017, set aside the Order of DIT (Exemption) by restoring the registration granted to the Company.

As per directions given in the Order, the Company represented before Assessing Officer for passing an Order giving effect which is pending for disposal, that the activities carried out by the Company are charitable in nature and not in the nature of business and accordingly, the Company for all the subsequent years filed its Return of Income regularly in compliance with the provisions applicable to a Charitable Trust claiming exemption under Sections 11 and 12 of the Act.

For the assessment year 2014-15, the income tax assessment was once again completed denying exemption under Section 11 and 12 of the Act applicable for charitable trust. The Company has disputed the contention of the assessing officer and filed an appeal before appellate authorities and a favorable decision is expected in view of aforesaid ITAT decision. The assessment resulted in a demand of Rs 8080 ( March 31, 2019 Rs 8080) which is disputed in appeal.

Other than stated above, the Company has reviewed all its pending litigations and proceedings and has made adequate provisions, wherever required and disclosed the contingent liabilities, wherever applicable, in its financial statement. The Company does not expect the outcome of these proceedings to have a material impact on its financial statements.

**21 Financial Risk Management**

The Company is not having any investment hence it is not exposed to financial risk.

**A MANAGEMENT OF LIQUIDITY RISK**

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The Company maintains a conservative funding strategy, with a positive cash balance during the year ended March 31, 2020. This was the result of cash generated from operating activities to provide the funds to service the financial liabilities on a day-to-day basis.
